KANSAS HEALTH FOUNDATION

DISCOVER YOUR ASSETS

Opportunity Lab – Part 1 | Individual Reflection | 5 Minutes

Look for assets, not gaps. Identify what your organization already has, knows, and does well.

What We Have

What We Know

Who We Know

What Makes Us Unique

Reflection: Our Strongest Asset

Reflection: Our Most Underutilized Asset

Reflection: The Asset I Want To Explore Further

The assets you identify will become the foundation for the opportunity you'll explore next.

KANSAS HEALTH FOUNDATION

SEE THE OPPORTUNITY

Opportunity Lab – Part 2 | Small Group Activity | 10 Minutes

Form groups of 2-3 people closest to you. The goal is not to solve problems; it is to help each other see possibilities.

The Asset

What Opportunities Do My Peers See?

What Problem Could This Help Solve?

Who Could Benefit?

Who Might Pay For This Value?

What Would You Test First?

Opportunity Emerging From Our Asset

You're not looking for certainty. You're looking for possibilities worth exploring.

KANSAS HEALTH FOUNDATION

BUILD YOUR NEXT STEP

Opportunity Lab – Part 3 | Individual Reflection | 5 Minutes

Using your selected asset and peer feedback, identify ONE opportunity and ONE action you can take in the next 30 days.

Our Opportunities

How Does This Create Value

Does This Advance Our Mission

USING THE INDEX CARD Write Your COMMITMENT:
"Within The Next 30 Days I Will...."

> **You don't need a perfect plan.**
> **You don't need all the answers.**
> **You simply need ONE OPPORTUNITY worth exploring and ONE STEP you're willing to take.**
>
> **The distance between possibility and impact is ACTION**
