

GRANTS

Kansas Health Foundation

2016 ANNUAL REPORT

Approved Grants List

MAJOR INITIATIVES

Research and Evaluation Services **\$1,900,000**

- To support KHF in making strategic decisions about current and future grantmaking through data collection, analysis and information sharing.

Kansas News Service Transition **\$1,521,967**

- To transition the News Service from the Kansas Health Institute to KCUR Radio.

Supporting Healthy Food Systems **\$1,514,951**

- To continue funding four grantees currently working to support a healthier food environment in Kansas through policy and systems change.

Attachment and Behavioral Catchup (ABC) Intervention **\$650,000**

- To support the United Methodist Health Ministry Fund (UMHMF) in implementing an evidence-based early childhood home visiting program, Attachment and Biobehavioral Catchup (ABC), to improve health for at-risk Kansas children.

2016 Policy Priorities **\$400,000**

- To fund efforts related to KHF's 2016 policy priorities.

Healthy Communities Initiative 1 (HCI 1) Continuation **\$378,875**

- To extend grant support for the 12 first-round Healthy Community Initiative (HCI) grantees for an additional 10-months to match the end of grant support for the second-round of eight HCI grantees.

Advocacy Capacity Building **\$265,000**

- To expand and strengthen advocacy capacity among Kansas organizations.

General Operating Support for Kansas Association of Local Health Departments **\$210,000**

- To provide general operating support for the statewide association representing local health departments in Kansas.

Grant Writing Assistance to Kansas Non-profit Organizations **\$199,993**

- To continue providing grant writing assistance to Kansas school districts, communities and organizations to increase the likelihood of federal funding and national philanthropic grant awards in Kansas to improve health.

Health Equity Partnership Initiative **\$3,250,000**

- To build the internal capacities of organizations focused on issues related to health disparities, increase and strengthen their networks and strengthen the health equity movement in Kansas

Sub-grants are listed below.

Children's Alliance Resource Network, Inc. **Keeping Kids Safe and Healthy: Improving the Kansas Child Welfare System**

\$300,000

In partnership with 19 nonprofit child welfare agencies and other organizations serving children and families, this initiative seeks to implement advocacy strategies to safely reduce the number of children in foster care.

ACLU Foundation of Kansas **Advancing Racial Justice in Kansas**

\$300,000

Through this initiative, the ACLU will address racial disparity in the criminal justice system by expanding the breadth of systems and policies addressed and the networks built and served statewide.

Seed House - La Casa de la Semilla **Seeds of Freedom: Growing Racial Justice in Kansas**

\$300,000

Through partnerships with grassroots groups, advocacy organizations, and faith-based communities from around the state, this initiative will build a movement for racial justice in Kansas by implementing creative strategies that emerge from communities of color, and will engage youth and young adults in leading this multigenerational effort.

Kansas Appleseed Center for Law and Justice, Inc. **Cross-Systems Advocacy for Vulnerable Kids and Families**

\$300,000

This initiative focuses on building a statewide collaboration of advocates and directly affected youth and families to provide cross-systems advocacy for children who are in the juvenile justice system, the child welfare system, or both systems in Kansas.

Kansas Head Start Association **Kansas Head Start Association Early Childhood Parent Advocacy Project**

\$300,000

Through this initiative, KHSA will partner with five other organizations to build grassroots organizing and policy advocacy capacity among Kansas parents and engage parents in advocacy efforts to assure high quality early childhood services and supports to reduce Adverse Childhood Experiences (ACEs) in young children.

NAMI Kansas, Inc. **Capacity Building for Grassroots Advocacy**

\$300,000

In partnership with the Kansas Mental Health Coalition, this initiative will strengthen the Coalition's Grassroots Advocacy Network, leading to more robust engagement of mental health advocates and partnerships with key policymakers to improve the quality of mental health services in Kansas.

Kansas Advocates for Better Care, Inc. **No Time to Lose**

\$300,000

This initiative seeks to address health disparities and improve equity for older adults in Kansas by increasing partnerships, strengthening networks, and focusing advocacy efforts on older adults, adults with disabilities, those who provide care, and those who create public policies which govern care.

El Centro, Inc. **Organized Voices Build Healthy Communities**

\$300,000

This project will work in partnership with El Centro Topeka to build a grassroots effort addressing the needs of immigrants and people of color who are affected by immigration issues.

Climate and Energy Project, Inc. **Kansas WEALTH: Reducing climate risks positively impacts Water, Energy, Air, Land, Transportation and Health**

\$300,000

Through this initiative, Climate and Energy Project will bring together partners working on water, energy, air, land, transportation, and health equity issues in order to collaboratively identify opportunities to reduce risk and increase resiliency in the face of a changing climate, focusing on three specific populations: economically disadvantaged communities, communities of color, and the elderly.

Thrive Allen County, Inc. **Thrive Allen County: Building a Rural Health Advocacy Network**

\$300,000

Thrive Allen County will serve as a backbone organization for a statewide rural health advocacy network formed to identify problems facing rural Kansas, investigate their causes, and seek solutions.

Kansas Dental Project **\$100,000**

■ To serve as the lead agency for bringing the mid-level dental provider workforce model (dental therapists) to Kansas.

Zero To One Continuation Project: **Provider Education** **\$83,750**

■ To address the high rate of African American infant deaths in Kansas by integrating a video series and curriculum into existing health professional trainings.

Healthy Communities Initiative **(HCI 1) Continuation** **\$20,000**

■ The purpose of this grant is to provide funds that will allow leadership teams to continue working on Healthy Eating and/or Active Living policy priorities through April of 2017.

Tobacco-Free Behavioral Health System Initiative **\$1,700,000**

- To support strategies that will create a tobacco-free behavioral health system in Kansas.

Sub-grants are listed below.

Prairie View

Tobacco Treatment and Recovery Project

\$300,000

To incorporate universal screening for tobacco use and implement cessation counseling and coaching to support those trying to quit in Harvey, Marion and McPherson counties.

NAMI Kansas

Behavioral Health Tobacco Cessation Advocacy Project

\$299,871

To advocate for expanded coverage of tobacco dependence treatment by health insurance providers and government agencies, increased utilization of treatment benefits, and improved availability of tobacco cessation services.

University of Kansas School of Medicine

Building Kansas Capacity to Address Tobacco Dependence among People with Mental Illness via Tobacco Treatment Specialist Training and Pharmacy Culture Change

\$264,618

To train 60 individuals across Kansas as tobacco treatment specialists and work with at least 18 Kansas pharmacies on the dissemination and reimbursement of cessation medications.

Episcopal Social Services

Live Well, Tobacco Free

\$203,763

To take the campuses of Episcopal Social Services and Inter-Faith Ministries tobacco-free, train staff in best practices and provide cessation counseling to consumers,

and work with at least eight consumer run organizations (CRO's) or other mental health organizations in western Kansas to provide similar services.

Mental Health Association of South Central Kansas

MHA Tobacco Free

\$192,666

To fully integrate tobacco dependence assessment and treatment throughout MHA's system by educating direct care personnel on best practices for tobacco cessation and targeting 1500 individuals for services.

DCCCA

DCCCA Tobacco Intervention and Cessation Initiative

\$156,634

To integrate a variety of cessation interventions, including educational resources, nicotine replacement therapies, and expanded behavioral health services into programming at two of DCCCA's substance use treatment facilities.

Central Kansas Foundation for Alcohol and Chemical Dependency

Central Kansas Foundation Tobacco Free Facility

\$115,000

To implement a tobacco-free facility policy and to fully integrate tobacco use dependence treatment into their services in Salina, McPherson, Abilene and Junction City.

RECOGNITION GRANTS

This past year, 2016, marked the end of KHF's Recognition Grant program. We invite interested organizations to learn more about our new Impact and Capacity Grant program at <http://kansashealth.org/grant-opportunities/impactandcapacity/>.

Wichita Grand Opera

Jana's Campaign
\$25,000

■ To use a proven, evidence-based curriculum in faculty and staff training, and co-curricular programming to help Kansas schools prevent and respond to teen gender violence.

Kansas State University
\$25,000

■ To reduce food insecurity in south central Kansas by redirecting surplus food from restaurants and grocers to feeding programs.

Integrated Behavioral Technologies \$25,000

■ To provide Kansas Institute for Positive Behavior Support training to staff enabling them to provide positive behavior support services to Kansas children with Medicaid.

Seed House - La Casa de la Semilla \$25,000

■ To facilitate a leadership development program for Latina women to create strategies for addressing issues impacting Latino families in Wichita.

Safehome \$25,000

■ To provide Johnson and Miami County law enforcement training on the administration of the Lethality Assessment Protocol (LAP), which offers a victim risk assessment at the scene of a domestic violence crime and referrals for crisis services.

Wildwood Outdoor Education Center \$25,000

■ To engage youth of the Kansas City region in outdoor learning through a summer camp that promotes physical activity, healthy eating and positive social interactions.

Southwest Guidance Center \$25,000

■ To provide the ASIST (Applied Suicide Intervention Skills Training) at a free or reduced cost to first responders in Seward, Haskell, Meade and Stevens counties.

The Family Conservancy \$25,000

■ To train early education professionals in Johnson, Wyandotte, Leavenworth, and Atchison counties on new ways to increase physical activity and promote healthy daily food choices through the Growing Healthy Kids project.

Kansas City Community Gardens \$25,000

■ To enable communities in Wyandotte, Johnson, Leavenworth, and Miami counties to establish micro-orchards, or edible tree gardens, and train volunteer stewards to provide care for the trees to reduce food insecurity for low-income families.

Lawrence Memorial Hospital Endowment Association \$25,000

■ To support a patient navigator to coordinate resources and care for Douglas, Franklin, Jefferson, Leavenworth and Johnson County patients who are age 60 and older to reduce re-admissions to the emergency department and hospital.

Community Health Center of Southeast Kansas \$25,000

■ To create a robust online presence and develop a social media strategy to attract a new generation of healthcare providers to practice in nine counties in southeast Kansas.

City of Topeka Municipal Court \$25,000

■ To reduce recidivism, and the number of days defendants with mental health needs spend incarcerated by connecting them with appropriate services.

Kansas Food Bank Warehouse \$25,000

■ To help provide access to healthy and nutritious produce to food insecure households in Kansas.

Argentine Neighborhood Development Association \$25,000

■ To improve health among approximately 850 Argentine residents by increasing health education, family wellness and fitness oriented activities.

Wichita Children's Theatre \$25,000

■ To help promote proper dental hygiene and nutrition among approximately 2,500 third graders in Wichita and across Kansas through a professional performance.

Goddard Education Foundation \$25,000

■ To improve school performance among approximately 1,000 K-12 students in Sedgwick County through character education and leadership training.

Child Care Aware of Northeast and North Central Kansas \$25,000

■ To help improve the quality of child care and health outcomes for approximately 2,000 Kansas children and families through professional development, coaching and support for child care providers and teachers.

Health Care Access \$25,000

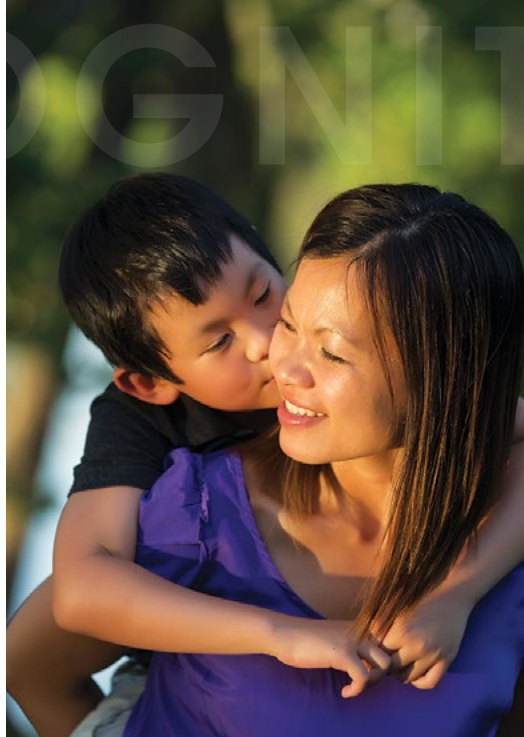

■ To increase access to healthcare, medical homes and health literacy among approximately 1,500 low-income residents of Douglas County through outreach and education.

Labette County Emergency Assistance \$25,000

■ To provide emergency food assistance and referral services for basic needs to Labette County residents.

Kansas State University \$25,000

■ To address public health needs of Saline County residents through a collaborative project with the Saline County Health Department using county health rankings information to plan for future health promotion.

**Boys and Girls Clubs of Greater Kansas City
\$25,000**

■ To promote healthy lifestyles among approximately 1,000 at-risk youth living in Wyandotte and Johnson counties through the Healthy Lifestyles program.

**Just Food of Douglas County
\$25,000**

■ To increase fresh fruit and vegetable consumption among approximately 19,000 low-income at-risk families living in Douglas County through education and increased availability of fresh produce.

**St. John the Evangelist Catholic Church
\$25,000**

■ To help prevent domestic violence among Latino families in Douglas and Franklin counties by providing increased case management support and community resources.

**After the Harvest
\$25,000**

■ To help fight hunger among approximately 41,000 people seeking emergency food assistance in 16 Northeast Kansas counties by salvaging nutritious yet unmarketable produce and transporting it to agencies and food banks that serve people in need.

**Bethel College
\$25,000**

■ To improve patient safety in healthcare settings in South Central Kansas by creating a more collaborative healthcare workplace through conflict resolution and communication training.

**Cross-Lines Community Outreach
\$25,000**

■ To hire a case manager to help approximately 100 homeless and precariously-housed individuals in Wyandotte County access critical services such as mental health counseling, substance abuse treatment and housing.

**MOCSA Metropolitan Organization to Counter Sexual Assault
\$25,000**

■ To help prevent sexual violence among 8,000 middle and high school students in Johnson and Wyandotte counties through education.

**El Centro
\$25,000**

■ To support the Promotoras de Salud Program, which connects Wyandotte and Johnson County limited-English-proficient new-immigrant Latinos with health resources and educates them on budgeting to alleviate food insufficiency and poor nutrition.

Russell Child Development Center
\$24,999

■ To promote positive parenting strategies with approximately 130 families living in Finney County and 19 surrounding Southwest Kansas counties through the evidence-based Triple P Positive Parenting Program.

Kansas Coalition Against Sexual and Domestic Violence
\$24,997

■ To raise awareness throughout the state about domestic and sexual violence through the Silent Witness Public Awareness Campaign featuring a traveling silhouette display.

Urban League of Kansas
\$24,994

■ To provide short-term training and job placement assistance in entry-level health occupations for low-income residents of Sedgwick County.

Inter-Faith Ministries Wichita
\$24,985

■ To increase civic engagement and address hate issues among law enforcement, the general public, schools and faith groups in Sedgwick County through education.

Wichita State University Foundation
\$24,980

■ To help improve mental, physical, social and lifestyle wellness among approximately 15,000 students providing free access to Student Health 101, an online monthly magazine produced by College Health Services.

Mental Health Association of South Central Kansas
\$24,976

■ To improve employment outcomes for individuals with behavioral health conditions in Sedgwick County through training and coaching.

Climate and Energy Project
\$24,956

■ To connect experts in healthcare, air quality, and environmental justice with representatives of populations in Douglas, Johnson, Leavenworth, Miami, Shawnee, and Wyandotte counties to explore how the transition to cleaner energy will lead to improved air quality.

University of Kansas
\$24,918

■ To develop and pilot a data collection system to track competitive employment-related outcomes for Douglas, Johnson, Sedgwick, Harvey, Butler, Saline, and Neosho County young adults with developmental disabilities participating in the Kansas Project Search program.

Pleasant Valley United Methodist Church
\$24,907

■ To provide linguistic educational programming and family engagement activities for the Hispanic community in Northeast Wichita.

Boys and Girls Club of Hutchinson/Kids After School

\$24,904

■ To create positive opportunities through the EPIC Skillz program at school, after school, and in the Hutchinson community by connecting 7th and 8th graders with business and industry contacts while teaching employability skills.

Heartspring

\$24,896

■ To provide a recreational summer day camp and afterschool social clubs for high-functioning South Central Kansas children with autism to enhance their social, self-regulation, emotional, and language skills.

America's Dentists Care Foundation

\$24,860

■ To cover the costs of transporting dental equipment from Wichita to the Kansas Mission of Mercy site, as well as repair and maintenance of Mission of Mercy dental equipment to improve the oral health of Kansans.

Child Start

\$24,750

■ To promote health literacy and healthy lifestyles among Butler, Harper and Sedgwick county low-income families through health literacy and Parent and Child Together (PACT) events.

Topeka Justice Unity and Ministry Project

\$24,750

■ To implement an Affordable Housing Trust Fund for the City of Topeka to create additional affordable housing and promote home ownership for Shawnee County residents.

Children's Mercy Hospital

\$24,750

■ To improve health outcomes among acutely ill or injured Kansas children by providing health care personnel with access to evidence-based guidelines for the management of severe/acute illnesses/injuries.

Storytime Village

\$24,742

■ To help improve literacy among 360 kindergarten through 3rd grade African-American students living in Sedgwick County through the Family Literacy program.

USD 233 Olathe Public Schools - Parents As Teachers

\$24,582

■ To promote family well-being among children and teens in Johnson County through personal visits, group support, connections to community services and resources, and developmental screening.

Special Olympics Kansas **\$24,552**

- To increase the fitness level among Special Olympics Kansas (SOKS) athletes, their supporters, and other citizens in Kansas communities through the Shape Up Kansas program.

Harvey County Domestic Violence and Sexual Assault Task Force **\$24,530**

- To expand the resources available for Harvey, Marion, and McPherson County victims of domestic violence and sexual assault, and to raise awareness of those resources through grassroots organizations.

Van Go **\$24,250**

- To prepare Douglas County young people experiencing mental illness with job training, internships and comprehensive social work support.

Mirror **\$23,600**

- To inspire, equip, and mobilize youth living in Harvey and Sedgwick counties to become involved in their communities through service learning projects.

Friends of Johnson County Developmental Support **\$23,200**

- To promote healthy lifestyles through exercise, proper nutrition and access to health care for Johnson County residents with intellectual and developmental disabilities.

Kansas Eye Bank and Cornea Research Center **\$22,280**

- To establish a process to enable Wichita hospice organizations to provide patients the opportunity to increase donor pool sources in order to increase the amount of eye tissue available for transplant.

Children First: CEO Kansas **\$21,851**

- To improve educational and developmental outcomes among approximately 40 low-income children and youth living in Sedgwick County through the Promise Neighborhoods project.

Susan B. Allen Memorial Hospital **\$21,779**

- To improve health and quality of life and reduce health care costs among teachers and Pre-K through 5th grade students and their families in Butler County through a wellness program.

Lawrence-Douglas County Housing Authority **\$21,175**

- To help promote healthy lifestyles for low-income individuals living in Douglas County by providing bicycles and accessories.

Dress for Success Wichita **\$20,045**

- To help low-income women in Sedgwick, Harvey, and Butler counties become self-sufficient through employment, job retention, and career development programs.

TDC Learning Centers **\$20,000**

■ To provide free on-site child care and early education to promote health and development for the children of Shawnee County teen parents seeking to complete high school or obtain their GED.

Partners for Wichita **\$20,000**

■ To provide free nutritious lunches at 16 Sedgwick County locations for children/youth at risk of hunger during weeks when school meals and Federal summer meals are not available.

American Lung Association of the Upper Midwest **\$20,000**

■ To improve asthma care and related health outcomes among approximately 2,000 low-income and African-American children with asthma living in Wyandotte and Johnson counties through comprehensive clinic systems change.

The Pando Initiative **\$19,885**

■ To improve school attendance, behavior and academic performance of 450 low-income, at-risk elementary and middle school students in Wichita, Haysville and Derby through social emotional skills training.

Sunflower House **\$19,800**

■ To prevent child abuse by raising awareness of the issue and teach Wyandotte, Johnson, Miami, Leavenworth and Douglas County children about personal boundaries in a developmentally appropriate manner.

Kansas CASA Association **\$19,631**

■ To orchestrate a statewide awareness campaign in order to increase the number of Court Appointed Special Advocate (CASA) volunteers in Kansas and increase the number of abused and neglected children who benefit from CASA advocacy in 71 Kansas counties.

USD 366 Woodson **\$19,350**

■ To provide eight family learning events for pre-K to 8th grade Woodson County students and families to establish year-long reading habits.

Boys and Girls Club of Manhattan **\$18,671**

■ To provide scholarship assistance for Riley and Pottawatomie County children to attend before- and after-school and summer programs.

Kansas Wildscape Foundation **\$17,462**

- To promote healthy lifestyles among elementary and secondary school students across Kansas by cultivating an appreciation for the outdoors through a student-developed extracurricular program.

Girls on the Run of the Flint Hills **\$16,860**

- To help increase physical, social and emotional health among approximately 175 3rd through 8th grade girls in Riley County and the surrounding area through a running and life skills after-school program.

Salina Regional Health Center **\$16,373**

- To help reduce anxiety and promote community involvement and active lifestyles among approximately 4,000 residents of Saline, Marion and McPherson counties through therapy dogs.

Lawrence Sponsoring Committee **\$15,000**

- To advocate for systemic changes proven effective at ending the transmission of Adverse Childhood Experiences (ACE) from one generation to the next in the Douglas County region.

Nazareth Convent and Academy **\$15,000**

- To help address basic needs of food, shelter, healthcare and clothing among approximately 1,000 low-income individuals living in Cloud, Republic, Mitchell, Clay and Ottawa counties.

Oak Ridge Youth Development Corporation **\$15,000**

- To promote healthy lifestyles, improve academic performance and provide alternative career choices for low-income youth living in Wyandotte County through a Summer Enrichment program.

SoCe Neighborhood Action Foundation **\$14,150**

- To help reduce social isolation, increase safety, and improve civic engagement among Wichita neighborhoods by building relationships and capacity to engage the city of Wichita in neighborhood development planning.

Union Rescue Mission **\$13,500**

- To help homeless, unemployed or underemployed applicants in South Central Kansas counties obtain employment through tuition assistance for a Kitchen Prep Culinary Job training program.

Safe Kids Kansas **\$12,925**

- To provide bicycle helmets and bicycle safety education to Kansas children.

First Call for Help **\$12,500**

- To provide Reno County residents with health enrichment, education classes and personal hygiene items.

Kids Need To Eat (KN2E) **\$12,000**

- To promote healthy development among approximately 300 children living in Butler County by providing nutritious daily meals and structured activities during the summer.

USD 252 Southern Lyon County \$10,543

- To build on the success of the current Early Childhood Education Center by offering family events to provide education and resources to help children be school ready.

City of Lawrence \$10,500

- To bring quality, community-based exercise programs to older Douglas County adults living in low-income housing through the Senior Residential Fitness Program.

United Way of the Plains \$10,459

- To help increase access to health and human services among approximately 500 homeless individuals living in Wichita.

USD 500 Kansas City, Kansas Public Schools \$10,168

- To educate Wyandotte County parents during home visits on proper car seat use and safety and provide new car seats to needy families.

St. John Lutheran Church \$10,000

- To expand the current food backpack program, for elementary students only, to include middle and high school students in Russell County and run throughout the entire school year.

Topeka Housing Authority \$10,000

- To help promote healthy lifestyles among low-income, at-risk youth ages five to 18 living in Shawnee County through a summer enrichment program.

Prairie Travelers \$9,195

- To promote active lifestyles for Sedgwick County residents by building the capacity of the rail trail organization to advocate for policy changes that support trails.

Harvey County Homeless Shelter \$8,538

- To prevent a bed bug infestation at the shelter by providing new vinyl mattresses and vacuum cleaners to remove bed bugs.

Leadership Butler \$8,505

- To provide hands-on leadership development with practical application focusing on building skills in the area of visioning, consensus, collaboration, diagnosis, managing self, and influence for residents of Butler and surrounding counties.

Valeo Behavioral Health Care \$7,610

- To provide a public Mental Health First Aid training program for Shawnee County residents.

USD 489 Hays School District, Foundation for Educational Excellence \$7,000

- To help improve focus in the classroom and ability to learn among low-income kindergarten and first grade children in Ellis County by providing snack milk.

Labette Center for Mental Health Services
\$6,500

■ To provide training to Labette County residents to assist when someone is experiencing a mental health crisis.

Hope Center of Pratt Kansas
\$6,000

■ To reduce poverty among Pratt County residents by providing support and education through the Circles program.

Junior League of Topeka
\$5,000

■ To help reduce stress among approximately 500 low-income families living Topeka and Shawnee County by providing diapers.

Kansas State Research and Extension - Cherokee County
\$4,845

■ To fund the Developing Area Youth Project, a school and community-based education, mentoring, and leadership program for youth and families.

Embrace of Wichita
\$4,643

■ To help promote the emotional development of approximately 80 children in Sedgwick, Harvey, Butler, Reno, Kingman, Sumner and Cowley counties through parenting skills training.

Four County Mental Health Center
\$3,705

■ To provide a Health on Purpose Wellness Fair and quarterly informational luncheons on elder abuse and neglect for residents of Chautauqua, Cowley, Elk, Montgomery and Wilson counties.

City of Elsmore
\$3,600

■ To help increase healthy eating among approximately 200 Allen County residents through weekly cooking classes.

Harper Hospital District #5 of Harper County, KS
\$3,097

■ To help improve emergency response to health problems and injuries in Harper County through providing first aid, cardiopulmonary resuscitation and automated external defibrillator training to employees of local businesses.

Royal Family KIDS Camp
\$3,000

■ To help break the cycle of child abuse among children ages six to 12 in the foster care system in Northeast and Central Kansas counties through a summer camp and mentoring program.

TFI Family Services
\$1,375

■ To provide Trauma Informed educational training from The Institute for Childhood Education for Kansas foster families.

OTHER GRANTS

Project Access General Operating Support \$50,000

- To provide general operating support to Project Access.

Civic Engagement Grants Request for Proposals \$50,000

- To identify strategies that increase voter participation in communities with poor health outcomes by offering mini-grants to organizations working to carry out non-partisan civic engagement work.

Kansas Appleseed Summer Food Service Program \$50,000

- To provide mini-grants of \$100 to \$1,000 to qualifying Summer Food Service Program (SFSP) sponsors to increase children's participation in the SFSP in Kansas.

Disaster Relief - Eureka Tornado Damage \$50,000
